MEMORANDUM FOR THE RECORD

SUBJECT: Inspector General Survey

25X1A 1. A few days ago [redacted], of IG's Office, called me to request that he be given copies of the minutes of the CRB and OMS Review Board meetings of the past two (2) months. He suggested that all individual identifying information could be deleted from these reports. He was not specific as to what he wanted them for.

25X1A 2. I later discussed this with D/MS and DD/MS, who were in agreement that it did not appear to be within the purview of the IG's inspection to review actual case reports, even with names deleted. D/MS suggested that I offer to discuss the mechanisms and propositions of these boards with [redacted] as well as any problems about them that he had on his mind.

25X1A 3. Today I spoke with [redacted] to relay the above, and he agreed to be in touch with me by telephone on 1 April 1968 to set up an appointment with me to discuss these boards.
